Jo Ann Snell:

I am a ReMaxx realtor and have lived in Barrington for 40 years and have traffic problems people consistently complain about. I think once this goes through, the town will be destroyed. No one will want to live here. It is unbelievable. Barrington will be a ghost town. We always have enjoyed an atmosphere of country and not going to be anymore. I won't be selling real estate and will be out of a job. Who will want to leave here?
